Patience is a virtue

Author's Notes:
As the great Freddie Mercury sang, "You can't stop me now!!" Imagine it's a gay bar if that's easier to see graphic Mike and Sean "pda"

He coyly met my eyes and I was burning for him in all the right places. I shifted closer to his body and went straight for his adam's apple, sucking on the tender piece of bulging flesh. My hand ran up and down his thigh causing him to spread his thick, muscular legs. His head fell back and his hair lay along the booth. I could see the outline of his thick cock in his dark jeans. Still I felt tension in his tight, toned body. He hissed, "Not here, Mike," as he led me out of the bar door.
